Dear Sir or Madam:

I am writing to you as the \_\_\_\_\_ of the USA Cricket Association (USACA) to request your assistance with any donations or sponsorship you can provide our organization.

USACA is a 501© 3 not-for-profit organization which exists to promote, encourage, foster and develop interest in and knowledge of the game of cricket throughout the United States of America. We are the internationally recognized national body.

Our activities include:

- encouraging and assisting in promoting, administering and hosting cricket games from various regions of the United States of America,
- developing and strengthening participating teams representing the United States at regional and international tournaments and events,
- the development of the sport at all levels including youth and women's cricket, and
- fostering, encouraging and developing the highest standards of officiating at all levels of cricket through the introduction of formal training and qualifications of coaches, umpires and scorers.

I have attached our 2009 fact sheet which provides more information on what we do and our goals. Additional information is also available at [www.usaca.org](http://www.usaca.org).

Thank you in advance for your generous support of USACA.

Sincerely,
